EVENT: AEROBIC CLASS FOR DIABETES RESEARCH

PLACE: LOYOLA ATHLETIC COMPLEX

DATE: TUESDAY, JANUARY 28, 1986

TIME: 8:00 P.M.

### PRESS RELEASE

The Juvenile Diabetes Foundation's Junior Group will be holding an aerobic fitness class at Concordia University, Loyola Athletic Complex, on Tuesday, January 28, 1986 at 8:00 P.M.

With the help of Vladimir Pavlicik, Concordia's intramural co-ordinator, Renee Mendelson, an aerobic instructor in the Montreal area for the past four years at Concordia University and at various other exercise establishments, will be leading this class.

This is a wonderful and fun occasion to help fund researchers in their quest to cure diabetes!

Minimum donation - \$3.00 per person

Refreshments will be served after the class. See you there!!
